

Covering the Corona Virus Pandemic #1 - HS School Seniors

Choose **one** of the following options to develop as coverage of the ongoing crisis.

OPINION WRITING

Ways that schools will change when the crisis is over. (source all applicable info)

- Imagine changes that might take place when we return to normal.
- How will schools adapt to future emergencies?
- What changes took place after similar historical crisis situations?
- What will the future of Distance Learning be?
- Other?

REFLECTIVE WRITING

High school Seniors are missing out on milestone events in their last year of required schooling. How do you feel about missing out on your Senior Year?

- What will you miss the most?
- How important are these Senior events and why are they important?
- Are there any ways schools can substitute these events?
- How will missing them affect you?
- Other?

AUDIO REPORT

Record an interview with another Senior about the changes the CV has brought on the

Senior year.

- You can use the questions in the reflective writing option above.
- You can develop your own set of questions. (have several prepared)
- Other possibilities:
- Have the changes to your Senior year affected your future plans? How?
- Have you had to take on any other responsibilities at home that affect your academics?
- How long did it take you to fully understand the affect the CV and resulting recess would have on you personally?

Equipment and App Suggestions

- On board recording app on your phone. Be sure you know how to save the file as an mp3 file
